

Instructions on using score lines provided on rear surface of Ceiling Panels GMC Savana Regular WB and Extended WB

- NOTE:**
1. This applies to the ceiling panels for both GMC Savana Regular WB and GMC Savana Extended WB*
 2. Score lines (half-depth cuts) are provided on the rear surface of these panels to allow the panel to be used in various vehicle configurations (Please refer to the below picture showing the various score lines provided on the rear surface of the ceiling panel)

*Ceiling panel of GMC Savana Extended WB shown here
